## Saturday In the Park

**For Families with Kids 0-5 Years Old**

Building community as a young family with kids is tough. Join us at Saturday in the Park to connect, share experiences, and grow together in faith. We take the hard work out of meeting new people. Just show up and be yourself.

Together, we create a welcoming space for parents to support, connect, and build meaningful relationships through regular park gatherings. We'll bring the coffee - you bring the kids.
