Day 1: Read *2 Timothy 3:16a*. God's Word draws out the truth of who God is and what He has done to save us in Jesus, and what it means to live as a child of God. In God's Word, the path to heaven is revealed, but so is the way to build a life that matters with God and with one another. How has God's Word inspired you this past week in worshipping Him and following His ways?

Day 2: Read *Matthew 7:24*. Why did God include this in the Bible? What Biblical principle is found here? How does this fit in with the whole story of the Bible? What application does this truth have for my life?

Day 3: Read *2 Timothy 3:14-15*. The Bible is an unfolding story of who God is and what it means to know Him. The story of God's great love is that He created the world, died for our sins, rose again, and longs to be in a living and loving relationship with us. If someone asked you to give the 30 second summary of the Bible's story, what would you say? Why?

Day 4: Read *Psalms 78:4b, 6*. Who introduced you to the Bible? Take time to give God thanks (and if still alive to give that person a word of thanks!). Who are you introducing to read, learn, and live God's Word? Who might you begin to introduce to God's amazing story of His Word?

Day 5: Read *2 Timothy 3:16-17*. Typically, when people focus on these verses and the Bible, they quote verse 16, but not 17. How has God thoroughly equipped you through His Word in this new year? Where would you like to see God equip you, shape you for His purpose for your life through His Word?

Day 6: Read *James 1:22-25*. Turns out in everyday life, you only believe the part of the Bible you actually do. What parts of God's Word do you find challenging to do? Why? How have you discovered His way is the best way to live in the past week?
